Lease Agreement:

I, _____ [parent's full name], by signing this form lease the noted equipment for the period of time indicated with the understanding that I will be responsible for repair, or replacement, of this lease equipment should the equipment be damaged above and beyond normal wear and tear (as determined by the Club Youth Coordinator and/or the Board of Directors of the Club), and that replacement value would be the retail value of the damaged set of gear (i.e. boots, skis, or both). I also understand that by signing this form I recognize that refunds are not guaranteed (exceptional circumstances may be considered at the discretion of the Club's Youth Coordinator) should I decide to return the equipment early. If I fail to return the rented equipment provided by St. Albert Nordic Ski Club for the named skier at the end of the season or at one of the two equipment return events to be held prior to the start of the subsequent ski season, then at the request of St. Albert Nordic Ski Club a \$200 deposit for future rental of equipment for the named skier will be required.
